DESIGNER/BUILDER:	Gulf Craft, Patterson, LA, USA
OWNER/OPERATOR:	Seacor Marine, Houma, LA, USA
HJ DISTRIBUTOR:	HamiltonJet Americas, Seattle, WA, USA

RELIABILITY

FLEXIBILITY

HIGH SPEED EFFICIENCY

Michael G. McCall is the first of two fast crew / supply boats to utilise five HamiltonJet HM811 waterjets. This propulsion option was chosen for its high reliability and reduced maintenance requirements - crucial factors when operating for long periods in remote locations and in a demanding service.
